WAYS PROVIDERS ARE LEVERAGING A CASH REIMBURSEMENT

GROWTH

From expanding outpatient services, hiring staff, or increasing patient volume, most providers have some type of growth initiative. A cash reimbursement can help fuel these growth initiatives.

STRATEGY

What are your strategic priorities for the next 3-5 years? A cash reimbursement can put cash back on the books to help your organization accomplish these goals.

DEBT REDUCTION

Putting cash back on the books helps providers reduce debt, so they can focus on high-level projects.

CASH POSITION

A cash reimbursement can strengthen the cash position on your balance sheet.

CAPEX BUDGET

Replenish your CapEx budget to have funds for your strategic priorities.
